Members' Boutique Consignment - Instructions

Items for sale are sold on behalf of the member and the guild gets 10% of the sale. There is no limit to the number of items that can be submitted for sale.

- For each item for sale, there is a two-part system. Pick up form(s) and package(s) of tags with safety pins (available from Heather Penwell at the guild meetings).
 1. Print a description of the item in a box on the form and indicate the price you want to sell it for.
 2. From the package of tags and safety pins, print the same information from the form onto the front of the tags, and print your name on the back of the tag. Attach the tag to soft items with the supplied safety pins, or tape the tag to hard items.
- Bring your items to the guild meetings up to April 1st meeting, 2020. After that date, you may bring your items in person to 1388 Fair Avenue, Peterborough, (Heather Penwell's house) up to one week before the show - no later than April 21st.

Note: If you prefer to print the form yourself, you can make a copy of your completed form and use the second paper version as tags for your items by cutting them up and fixing them to your items for sale. Don't forget to print your name on the back of each "tag".

- Unsold items will be available a few days after the show and arrangements for pick-up/delivery will be made at that time
